Goods

(One-Envelope Bidding Process)

IFB Number:	**MOF/DFIC/G08/Volume 1/Lot 4**
Purchaser:	Ministry of Finance, Economic Planning and Decentralisation through DFIC Project
Project:	Support for Digitalization, Financial Inclusion and Competitiveness Project (DFIC)
Contract title:	Technical services for provision of Hardware as-a-Service (HaaS) to MFI Hub in Malawi with acquisition of new hardware, installation and upgrading of existing infrastructure
Country:	Malawi
Loan No. / Grant No.:	2100155041177
Procurement Method:	Open Competitive Bidding (International) - OCB(I)
OCBI / LCB No:	MOF/DFIC/G08
Issued on:	16th January 2026

1. The Government of Malawi has received financing from the African Development Bank hereinafter called the Bank toward the cost of the Support for Digitalization, Financial Inclusion and Competitiveness Project (DFIC) and intends to apply part of the proceeds toward payments under the contract for ***Technical services for provision of Hardware as-a-Service (HaaS) to MFI Hub with acquisition of new hardware, installation and upgrading of existing infrastructure.*** For this contract, the Borrower shall process the payments using the Open Competitive Bidding (International) disbursement method, as defined in the Bank's Disbursement Guideline and Procedures for Investment Project Financing.

2. The Ministry of Finance, Economic Planning and Decentralisation through DFIC Project now invites sealed **One Envelope** Bids from eligible service providers for ***Technical services for provision of Hardware as-a-Service (HaaS) to MFI Hub in Malawi with acquisition of new hardware,***

installation and upgrading of existing infrastructure. The bidders must provide a detailed technical and financial proposal to provide the hardware as a service to MFI Hub to enable it offer its services to its users. Bidders will be expected to comply to the specifications in the RFP, software, database, including the detailed configuration of the proposed Deployment, Testing, Pre-Production, Backup, and Production Environments as per the Business and Technical requirements, as well as the connectivity capacity requirements and any third-party tools required for the System to function optimally. The proposed hardware and upgrade should be able to support business requirements with high performance and availability in consideration of the projected growth (as shown in the section 1 of the requirements document) for the period of at least 1-year post implementation of the system. The solution is expected to be provided within **a specified duration of 90 days from the date of signing the contract[1]. The location of the project is Blantyre, Malawi:**

Item	DESCRIPTION OF GOODS AND SERVICES	QYT	Delivery period	Delivery Location
1	Delivery and installation of hardware	**1**	30	Blantyre, Malawi
2	Configuration of virtualized computer/storage/network resources	**1**	45	Blantyre, Malawi
3	Establish connectivity for all MFI/Saccos sites	**1**	60	Blantyre, Malawi
4	Implement disaster recovery setup, testing, and commissioning of the system	**1**	80	Blantyre, Malawi
5	Go Live	**1**	90	Blantyre, Malawi

3. Bidding will be conducted through the Open Competitive Bidding (International), (OCBI) method as specified in the **Bank's Procurement Framework**, and is open to all eligible bidders as defined in the Procurement Framework.
